COMMUNITY SAFETY

We are pleased to let residents know that our Rural Crime Advisors recently received a Neighbourhood Policing Award from Warwickshire Police. The Neighbourhood Policing awards recognise outstanding local work carried out by police officers and staff and partnership initiatives to make communities safer. You can contact the Rural Crime Advisors if you are a victim of crime or are concerned you may be at risk and would benefit from crime prevention advice.

The Advisors can also arrange crime prevention talks to local community groups and host crime prevention 'property marking' days, where property such as bicycles, lawn mowers, power tools etc can be securely marked.
