At: Hillani Yard, Brickyard Road, Napton-on-the-Hill, Warwickshire CV47 8NT For: Mr M Jordan RESOLVED: No Representation <ul style="list-style-type: none">There are concerns that the conditions attached to the previous permission (app 22/01817/FUL Nov 22) have not been fulfilled. In particular, the soft landscaping plan does not appear to have been implemented. There is also a lack of evidence of a lighting plan being submitted to SDC Planning for approval.It has been noted that skips and skip lorries have been seen on the site both inside the buildings and on the land behind. There is concern that this may be in breach of the criteria for B2 use, in particular hazardous waste.
